Overview

This qualification is designed to reflect the work of candidates who undertake Health and Social Care activities working with services users/carers.

Who would benefit from this qualification?

Anyone working in the care sector providing health or social care services to users.

Course Content

This course include mandatory units and a range of optional units (which will be agreed with your assessor and are dependent on your role)

The mandatory units are:

- Communicate with and complete records for service users
- Support the health and safety of yourself and service users
- Develop your knowledge and practice
- Ensure your own actions support the care, protection and well-being of individuals

Entry Requirements:

There are no formal entry requirements for candidates undertaking this NVQ, however employers must ensure that candidates have the potential and opportunity to gain evidence for the qualification in the work place.
