

## Painting & Decorating

### Painting & Decorating Levels

LEVEL 1	LEVEL 2	LEVEL 3	LEVEL 4	APPRENTICESHIP	ADVANCED APPRENTICESHIP
●	●				

### Overview

Ranging from the decorating of houses through to applying heavy-duty finishes to huge structures, this is a diverse industry.

### Who would benefit from this qualification?

This qualification is aimed at those who work in painting and decorating, but could be applicable to those working in a range of construction and related industries.

### Course Content

- **Painting and decorating** - roller and brush techniques for interiors and exteriors, fitting and hanging wall coverings and decorative finishes
- **Commercial painting** - roller and brush techniques for interiors and exteriors, specialised paint finishes and paint spraying methods and equipment
- **Industrial painting** - working on industrial structures, preparation of work areas by special treatments and blasting, and application of industrial finishes.

### Entry Requirements:

There are no formal entry requirements for candidates undertaking this NVQ, however employers must ensure that candidates have the potential and opportunity to gain evidence for the qualification in the work place.
