	●	●			

### Overview

This is an ideal course for experienced workers in the building trade to gain a NVQ qualification within a short time scale. This course is a site based qualification.

### Who would benefit from this qualification?

Candidates must have at least 3 years experience as a bricklayer on site and be able to collect evidence of the work they have carried out.

### Course Content

Mandatory units:

- Conform to General Workplace Safety
- Conform to Efficient Work Practices
- Move and Handle Resources
- Erect Masonry Structures
- Set out Masonry Structures

PLUS

Optional Units:

- Erect Masonry Cladding
- Lay Domestic Drainage
- Erect Thin Joint Masonry Structures
- Place and Finish Non-specialist Concrete
- Plaster and Render Surfaces
- Maintain Slate and Tile Roofing

### Entry Requirements:

There are no formal entry requirements for candidates undertaking this NVQ, however employers must ensure that candidates have the potential and opportunity to gain evidence for the qualification in the work place.
