CRC STUDENTS AND STAFF SIGN UP FOR CAMBRIDGE FUN RUN

24 November 2009

Cambridge Regional College students and staff from Uniformed Services and HR put their fitness to the test for Children in Need on the 21st Cambridge Fun Run, along with a team led by head of Academy, Debbie Casey.

Speedy staff foursome James McCabe, John Burridge, Tom Hall and Andy Blackmore came 10th out of a field of 150 teams. Members of the HR department also competed, with Lucy Broughton, Hayley Shuttlewood, Selina Stevenson and Jess Pilsworth raising £250 with their efforts.

National and First Diploma Uniformed Services students Kenny Trust, Courtney Henville, Josh Aylett and Craig Johnson entered the male category, while Luca Rizzo, Jenny Brown, Rosie Boulton and Kieran Pawlak entered the mixed. Resplendent in their IKON-sponsored tee shirts, they represented CRC with tremendous enthusiasm and verve.

The teams ran the 1.1 mile relay race on the Science Park – just yards from the College's new Science Park campus – on November 20, helping the Fun Run raise a total of £15,000 for Children in Need.
