Press Release

CHRISTMAS ACTIVITIES FOR CHILDREN AT CAMBRIDGE REGIONAL COLLEGE

Great activities to keep the children happy while parents concentrate on some last minute Christmas shopping and present-wrapping take place at Cambridge Regional College next week.

Sports, crafts and climbing sessions are all on offer for youngsters aged from seven to 14, with qualified staff running the fun activities at the College's sports centre.

Sports Centre supervisor Nicola Housden, who is co-ordinating the activities, said:
"The children will be able to have a go on our climbing wall, try their hand at racquet sports, enjoy Christmas craft activities and much more."

“All the activities will be run by qualified staff and we can guarantee there will be lots of fun. And a big bonus for parents is that they can park here free and take the guided bus into town to do their Christmas shopping.”

Four-hour sessions run from 10 am to 2pm on Monday, 19 December, Wednesday, 21 December and Friday, 23 December, and need to be booked in advance. The cost is £10 a child.

To book, or for more information, contact the sports centre on 01223 418280, email sports.centre@camre.ac.uk or visit www.theparkcambridge.co.uk.

NOTES TO EDITORS

Cambridge Regional College is one of the largest providers of full-time further education for 16 to 19 year-olds in the eastern region. The College has more than 4,000 full-time and 6,000 part-time students, coming from a 40-mile radius, covering Cambridge and its surrounding villages, eastern Bedfordshire, northern Essex and western Suffolk.

Over 80 per cent of full-time students are aged 16 to 18 years old and come to the College after secondary school; the rest are mature students, studying on a range of Access to Higher Education and vocational programmes. The College offers the largest and most comprehensive range of vocational courses in Cambridgeshire, and has one of the largest work-based learning contracts in the Eastern Region.
