## **RADIO PRESENTER HELPS CELEBRATE PRINCE'S TRUST TEAM'S SUCCESS**

**“Star 107” Radio Presenter, Amy Bidwell, presented certificates to members of Team 16 in a recent ceremony held at the Crowne Plaza Hotel, to celebrate the successful completion of their Prince’s Trust programme.**

The seven team members were on a structured 12-week programme, which is run through Cambridge Regional College (CRC). Throughout their programme they held various fundraising events such as a BBQ, a sponsored walk and a car wash to raise more than £400. This money was then used for the Community Project at The Children and Young People’s service where they transformed a run down garden into a usable and attractive area for community use.

The group also attended a Team Building Residential in Cannock, where they developed their leadership abilities, teamwork and problem solving skills. Each member completed an individual work placement with local employers, as well as working on their CV’s, interview technique and completing application forms.

Heather Yeadon is the Prince’s Trust Assistant Team Leader, she said “It was great to see the team bravely sharing their experiences and appreciating the things they have achieved over the last 12 weeks. I hope the challenges they have faced on this course will help them to face whatever comes next for them on their journeys.”

Cambridge Regional College runs the Prince's Trust Programme throughout the year, and is looking to recruit members for Team 17, which is due to start on the 22<sup>nd</sup> of September.
