TRAIN AND LEARN NEW SKILLS WITH CRC'S PART-TIME COURSES

Friday 4 September 2009

Cambridge Regional College (CRC) will launch its new range of daytime and evening training courses running from 2 days to 2 years! With the current financial climate there has never been a better time to update your skills or start new training.

The College runs hundreds of courses, at various levels to suit you. Courses are offered in areas such as The Arts, Business, Catering, Hairdressing & Beauty Therapy, D/deaf studies, Engineering, Music, Travel and Teacher Training.

Financial assistance is available: you may be eligible for funding to support you whilst you learn. If you do not currently hold a full Level 2 or 3 or higher qualification, you could even qualify for free tuition.

Learning a new skill or gaining a new qualification could be a step in the right direction towards moving up the career ladder at work, earning more money, finding a job, or just simply improving your confidence and meeting new friends.

If you are interested in joining one of our part-time courses, come along to one of our enrolment sessions on Wednesday 9 September & Thursday 10 September from 4.30pm -7.30pm.

There is a dedicated team of advisers at the College to help you choose the right course for you. For further information, please contact the College on 01223 226315/418249 or visit their website www.camre.ac.uk .
