Press Release

FABULOUS FREE FUN DAY FOR ALL AT CAMBRIDGE REGIONAL COLLEGE

Story-telling, face-painting, bouncy castles, a climbing wall – even have-a-go sessions at bricklaying – are among the great attractions at Cambridge Regional College’s free Family Fun Day this Saturday.

There’s something for everyone at the special day, with a craft corner for the creative, sports challenges for the active, guest star Harry the Cat from the Funky Funhouse and lots of demonstrations, workshops, stalls and games.

The Razzmatazz Theatre School, Squeaky Gate music, Hot Shot Wheelies’ Basketball Club and Cambridge Cangaroos Trampoline Club will be showing off their skills, while children’s theatre company Booster Cushion will be providing the laughs with its own version of *Little Red Riding Hood and Friends*.

It’s going to be a great day out for all the family and the College is hoping to see lots of its neighbours from the north of Cambridge and further afield dropping by to enjoy an entertaining afternoon.

The fun day runs from 12pm to 4pm on Saturday at Cambridge Regional College in King’s Hedges Road and includes charity cake and craft stalls and a barbecue.

Visitors will also have the opportunity to be the first to sign up for popular part-time courses, as CRC’s new Adult Course Guide for September will be available on the day.

NOTES TO EDITORS

Cambridge Regional College is the second largest provider of full-time further education for 16 to 19 year-olds in the eastern region. The College has around 3,500 full-time and 6,000 part-time students. Students come in from a 40-mile radius, covering Cambridge and its surrounding villages, eastern Bedfordshire, northern Essex and western Suffolk.

Over 80 per cent of full-time students are aged 16 to 18 years old and come to the College after secondary school; the rest are mature students, studying on a range of Access to Higher Education and vocational programmes. The College offers the largest and most comprehensive range of vocational courses in Cambridgeshire, and has one of the largest work-based learning contracts in the eastern region.
