6. Please indicate if you have applied or enrolled at Cambridge Regional College before.

We are aware that young people who have been in care, or are carers themselves, move schools more frequently than others or have often missed chunks of schooling through actual absence or as a result of disruption to their lives. If we are aware that you are living on your own or with foster parents, or are caring for someone in your family, we will aim to provide you with additional support and opportunities to catch up with your work. Your circumstances will be treated confidentially and only shared with your permission with those staff who need to know. We ask for this information in order that we can provide you with as much support as possible. We are here to help.

10. You are invited to tick the relevant additional support boxes if you feel you would benefit from learning or other specialist support. Please let us know if you have/have had an educational support assessment whilst at your previous school/college as this will help us to plan the support you will need at college.
11. Applicants declaring that they have a conviction, caution, reprimand, warning etc. will be referred to the Head of Welfare & Safeguarding for assessment. If an applicant is found later to have not disclosed a conviction, caution, reprimand, warning etc. on their application, they risk being excluded from the college in accordance with the Terms and Conditions of Enrolment.
12. Please state your chosen course(s) in order of preference and which campus you wish to study. If you wish, you may bracket your choices to indicate that they are of equal preference. Many students apply for more than one course. If they are in the same subject area but at different levels, it will usually be possible to deal with both courses at the same time. If the courses are in different areas (eg Childcare and Beauty Therapy) we will invite you for a Welcome Event for your first choice. Following this, if you would like to be considered for other courses, please contact the Admissions Office.
This will give you the best possible information on which to base your decision. If these arrangements cause particular difficulty, please contact the Admissions Office who may be able to make alternative arrangements.
