

1. Introduction

- 1.1 This document covers the Procedure for the Appointment of Governors to Cambridge Regional College.

2. Scope

- 2.1 This Procedure should be followed by all College staff and governors.

3. Procedure

- 3.1 The need to recruit new Corporation governors and/or Co-opted Committee members is reviewed from time to time, usually in preparation for the following academic year. The composition of the Corporation is reviewed occasionally and this can give rise to the need to recruit and appoint additional members.
- 3.2 A vacancy on the Corporation can also occur at short notice, for example if an existing member resigns or if a term of office comes to an end.
- 3.3 The Governance and People Committee uses a skills base criteria matrix with reference to the existing skills and terms of office remaining to identify the type, number and timing of required new appointments necessary to maintain a balanced body.
- 3.4 At least one member of any interview panel for new Governors, as well as the Clerk to the Corporation, are required to undertake safer recruitment training.

4 Procedure for appointment of external Governors

- 4.1 Potential external Governors and co-opted Committee members are identified by: recommendations put forward to the Corporation by existing Governors or co-opted Committee members; discussions with relevant external business, charitable and local organisations; and where deemed appropriate, advertisement on the College website and other websites/publications as necessary.
- 4.2 Identified potential new Governors and co-opted Committee members will be invited to send in a CV or other relevant information about themselves.
- 4.3 Written information will be provided to applicants, including information about the selection and appointment procedure and the Corporation, and the need to avoid conflicts, or potential conflicts, of interest in making appointments to the Corporation.
- 4.4 Short listed applicants will be invited to an interview with members of the Governance and People. In making a selection the Committee will take into account the balance of experience, expertise and interests needed by the Corporation.
- 4.5 The recommendations of the Governance and People Committee will be put to the next Corporation meeting, for its decision.
