CAMBRIDGE I HUNTINGDON

WHY CHOOSE US?

SENDING STUDENTS TO TOP 5 UK UNIVERSITIES IN 2024

95% of students would **recommend CRC.**

93% of 16 – 18 year old students agreed that CRC had helped them to learn, work, study and make decisions independently.

97% of students said: **"Teaching on my course is Good!"**

94% of 16 – 18 year old students continue their studies, go on to university or gain paid employment after completing their course.

AWARD WINNING careers, information, advice and guidance.

(Matrix Accredited)

#STRONG forSKILLS

Ofsted awarded CRC the highest rating for meeting skills needs in the region of 'Strong'.

Ofsted Good Provider

FIND A CAREER YOU'LL LOVE

Career Support

Part of the challenge of finding the right career path is the huge variety of jobs and roles to explore. We can help with that.

NOT SURE WHAT YOU WANT TO DO?

We have a few tools and resources that are designed to help you find the right career path.

Take our Careers Quiz

Use our online careers assessment tool to open up a whole new world of career opportunities that match your interests and preferences, and will advise you on the best course to study to enter into that profession.

camre.ac.uk/career-search

Careers Hub

Check out our Careers Hub which has a range of resources including Career Spotlight videos, interviews with employers and careers maps which can help you visualise all of the career routes that will be available to you after completing your course. Our career maps can be found on each of the subject areas detailed in this prospectus.

camre.ac.uk/careers-hub

GET THE EDGE

#STRONG forSKILLS

OUR FOCUS IS YOUR SUCCESS

With Cambridge Regional College you can get the edge, whether that's in a competitive job market, gaining a place at university or finding the perfect apprenticeship.

You might not know yet what you want to do, many don't, but through college you can explore your options and with our suite of tools and advisors on hand to help you every step of the way, you can find your path to the perfect career.

LIFE, WORK AND CAREER READY

We are a careers-focused college and work with employers in our region to ensure you develop the skills that are in demand by employers and set you up for personal success.

Impartial Careers Advice

Our team of qualified careers advisors are on hand with expert careers information, advice and personal guidance to help you work out where you want to go and how to get there. There are many ways to get to your perfect job, whether that's applying straight from college, gaining a place at university or helping you find the perfect apprenticeship – we're here to help. Why not drop in or call us at 01223 226315 to speak with one of the team?

CHOOSE YOUR ROUTE

Many of our subject areas are available as a full-time college course or an apprenticeship, and for some as a T-Level. Use this quick guide and checklist to learn more about each route that is available and reflect on what would be the best study option for you.

APPRENTICESHIP ROUTE

Apprenticeships combine work and study by mixing on-the-job training with an employer, classroom learning at college and self-study. You get started on your career straight away, earn a wage and gain qualifications. This provides experience that will help you progress up the career ladder, move on to degree level apprenticeships or university.

Apprenticeships are right for you if:

YOU ARE HAPPY TO STUDY **INDEPENDENTLY**
get support through regular visits from your Assessor and, for some programmes, a college day release to build up your knowledge.

YOU ARE READY TO COMMIT TO A FULL-TIME **JOB**
and start earning.

YOU KNOW WHICH **CAREER**
area you want to go into and wish to learn on the job.

T-LEVEL ROUTE

T-Levels combine classroom/workshop study with a substantial industry placement and will support you to progress into an entry level skilled job, a higher apprenticeship or onto further study, including at university.

T-Levels are right for you if:

YOU **KNOW**
the industry or area of work you want to pursue for a career.

YOU LIKE THE **IDEA**
of predominantly learning in college.

YOU WANT COLLEGE **TIME**
balanced with some time in the workplace.

PROFESSIONAL AND TECHNICAL FULL-TIME ROUTE

Professional and technical full-time courses are practical and hands-on courses that give you the skills and knowledge in your chosen subject area. The qualification and skills you gain can lead to university, an apprenticeship or a job.

You would be attending college, typically three days a week. To gain real world experience and industry-ready work skills, the courses include work experience.

Full-time course are right for you if:

YOU **ENJOY**
practical, hands-on learning and want to explore the full range and options of a subject.

YOU ARE NOT QUITE **READY**
for work yet and love the idea of college life.

YOU LOVE GETTING **INVOLVED**
in special projects, work experience and competitions.

WANT TO TALK IT THROUGH?

Speak to our Careers Advice and Guidance Team on 01223 226315 or come along to one of our Open Days.

ABOUT APPRENTICESHIPS

Want to start work straight away, learn and gain a qualification in the workplace whilst you are earning money? Then an Apprenticeship could be the pathway for you.

WHAT IS AN APPRENTICESHIP?

Apprenticeships combine work and study by mixing on the job training and classroom learning. You'll be employed to do a real job, with a real wage and other employee benefits whilst studying.

Apprentices follow an approved programme, which means you'll gain a nationally-recognised certification at the end of your apprenticeship that will enable you to progress in your career and studies.

We are a leading provider of Apprenticeships with regular assessments and progress reviews. We work with more than 1,500 local, regional and national employers to offer you the skills that matter.

BENEFITS OF AN APPRENTICESHIP

- Earn a wage while you learn.
- Receive 'on-the-job' training.
- Gain the skills that give you the edge in the job market.
- Benefit from an individual learning programme.
- One-to-one tuition from CRC's specialist industry experts.
- Opportunities to progress into management or higher education.

STARTING YOUR CAREER

We work with employers in all sectors from engineering and catering, to science, computing and many more.

By studying an Apprenticeship you will already be on the first step of your career, gaining great work experience.

WHAT QUALIFICATIONS DO I GET?

Studying for an Apprenticeship means you will achieve a certification that is relevant to your industry. Often these will be awarded by a relevant professional body to your specialism, for example, in accountancy your certificate might be awarded by the Association of Accounting Technicians. There may be a requirement for you to continue to work towards a qualification in English, maths and ICT.

ENTRY REQUIREMENTS

- **Level 2 English and maths GCSE at grade 3 (D) or above.**
- **Level 3 English and maths GCSE at grade 4 (C) or above (other specialist Level 2 qualifications may also be required).**
- **Level 4/5 entry requirements may vary dependent on the subject area.**

SECURING AN APPRENTICESHIP

Securing an apprenticeship is different to applying for a course, it is a job search and you need to apply and interview for positions and get appointed by an employer as well as meet the entry criteria for your chosen apprenticeship programme. For those expressing an interest in an apprenticeship through MyChoice@16, you will still need to find an apprenticeship job.

To find an apprenticeship job:

- Sign up to our Apprenticeship Job Alerts and browse our vacancies **camre.ac.uk/apprenticeship-vacancies**
- Visit our Apprenticeships, Jobs & Careers Fairs in March and meet recruiting employers
- Browse the government's Find an Apprenticeship website.

MORE ABOUT FULL-TIME COURSES

Studying with us means much more than just gaining a qualification in your chosen subject area. Your study programme is designed to provide you with the skills that are essential for employment, personal and professional development.

Subject Specialism

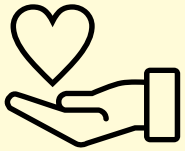

Work Experience or Industry Placement

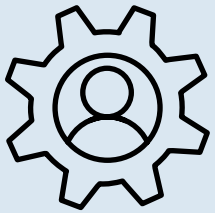

All study programmes will involve some work experience. Some courses will be part of the Industry Placement Initiative and you will be required to undertake approximately 315 hours experience in the workplace.

Enrichment

Take part in activities outside of your main vocational area, such as clubs and societies.

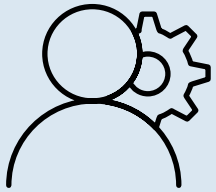

Personal Development

English & Maths

English and maths are highly valued by employers and at CRC you will continue to develop these skills. If you have not yet gained a GCSE grade 9-4 (or A*-C) in English and/or maths you will attend classes to study for nationally-recognised qualifications.

Professional Development

T-LEVEL QUALIFICATIONS

Technical Levels, also known as 'T-Levels', are two year programmes designed with employers to ensure young people get the skills industries need.

CRC offers T-Levels* in:

- Education & Early Years
- Construction & the Built Environment - Design, Surveying & Planning for Construction
- Digital Software Development
- Healthcare Science

A technical alternative to A-Levels, T-Levels are designed to help young people gain skilled jobs.

T-Levels will include:

- Technical knowledge and practical skills specific to your chosen industry or occupation.
- An industry placement of at least 45 days in your chosen industry or occupation.
- Relevant maths, English and digital skills.
- Valuable workplace skills.

T-LEVELS

THE NEXT LEVEL QUALIFICATION

*Please note, due to government curriculum reform, courses can change, if there are any changes to a course you have applied for we will update you directly.

ENTRY REQUIREMENTS

FULL-TIME COURSES

ENTRY LEVEL

These courses will help you build up skills, experience and gain confidence to progress to Level 1. No formal qualifications are needed.

LEVEL 1 - FOUNDATION LEVEL

You must have achieved an appropriate Entry Level vocational qualification and/or two GCSEs at grade 2 (E) or above.

LEVEL 2 - INTERMEDIATE LEVEL

You must have achieved an appropriate Level 1 vocational qualification and/or three GCSEs at grade 3 (D) or above (including English or maths), or equivalent experience. On some courses entry will be dependent on vocational experience and may require specific subjects.

LEVEL 3 - ADVANCED LEVEL

You must have achieved an appropriate Level 2 vocational qualification and/or four GCSEs at grade 9-4 (A*-C), including maths and/or English; or equivalent industry experience. On some courses specific subjects may be required.

LEVEL 4/ 5 - HIGHER EDUCATION

You must have achieved an appropriate Level 3 Extended Diploma or other vocational Diplomas, or two A Levels, or Access to Higher Education qualification or an Art Foundation or University Foundation Programme.

T-LEVELS

T-Levels typically require 4-5 GCSE's at Grade 4 or above including English Language and maths. Specific pathways may require further GCSE grades in some subjects.

SUPPORT

Studying with us means much more than just gaining a qualification in your chosen subject area. Your study programme is designed to provide you with the skills that are essential for employment, personal and professional development.

Careers Information, Advice and Guidance

Exploring your options and finding the right career path for you can be daunting. Our expert careers advisors can provide you with impartial information, advice and guidance to help you make informed decisions about your next steps.

Student Advice Team

Your physical and mental well-being can affect your learning. Should you ever need to talk to someone confidentially about personal or emotional concerns, our Student Advice Team, based in The Hub on each campus and online, are here to help.

We provide support to young adult carers who attend the College, as we understand looking after a loved one whilst trying to be a student can be difficult at times.

Financial Support

Money matters shouldn't stop you from coming to college. Our Student Advice Team are available to advise you on sources of financial help including any bursaries or support funds that may be available to you to help with meals, transport or course costs.

Learning Support

Specialist learning support staff will work with you to develop your independent learning skills and to ensure that you acquire the knowledge and skills to approach your studies and learning. The learning support team across the College will assist you with developing a range of learning support including: communication support; dyslexia and dyscalculia support; strategies for learning, including further literacy and numeracy support and approaches to learning, which will help you to develop greater independence. The team will help you develop organisational and study skills to help you manage your studies and achieve your goals.

Transitions

We work in partnership with fellow agencies to identify and support vulnerable learners and those with additional needs prior to the start of their study programme. We offer individual support to help you succeed if you are in Care or a Care Leaver.

Safeguarding

The safeguarding of our students is a key priority. We will endeavour to provide a safe and welcoming environment where students are respected and valued. For more information about how we safeguard everyone every day, **visit: camre.ac.uk/safeguarding**

Personal Support

Specialist learning support staff provide support to students with a broad range of special educational needs and disabilities. Including:

- Visually impaired/Blindness.
- Physical access needs.
- Learning disabilities.
- Deafness.
- Autism.
- Communication.

Education, Health and Care Plan support

Dedicated Curriculum Leaders and EHCP Officers will support you through your programme and provide information about the Annual Review process. We work with you whilst you are at college to achieve your personalised outcomes.

WE ARE HERE TO HELP YOU SUCCEED

The Hub

Each campus has a central Hub, as well as an online Hub, where you can access student support services and enrichment to help you succeed and overcome any challenges you face.

Fulfil your potential

HOW TO APPLY

1 Apply

You can apply for a course with us at any time, but the sooner you apply the sooner we can secure your place. If you attend a school which uses the **MyChoice@16 application portal** then your careers teacher will advise you on how to apply. If your school does not use this portal or if you are a mature student, you can apply online on our college website by finding your course and clicking apply. **www.camre.ac.uk/apply.**

On receipt of your application, we will invite you to a Welcome Event and you will have a 1-to-1 guidance meeting for your chosen course.

2 Reserve your place

On application you will receive an offer of a place subject to achieving the required grades and entry criteria*. You will be asked to attend a Welcome Event where we will provide you with more information about your chosen course and offer you a place if suitable.

Accept the offer to confirm your place.

3 Taster Days

New student Taster Days are typically scheduled for the first week of July. They give you the opportunity to participate in taster activities related to your course and meet other people who will be studying with you from September.

***EHCPs**

If you have an Education, Health and Care Plan we will work closely with your Local Authority to ensure that you have an effective transition to college and our offer of a place is conditional on when the consultation is complete and approved.

4 GCSE Results Day

Whether you do better than expected, or not as well as you'd hoped, get in touch and let us know or visit our Advice Cafés that take place from GCSE Results Day onwards to discuss your options. Whatever the outcome we will work with you to ensure your career stays on track.

5 Enrol

You will be invited to enrol with the college, subject to meeting the entry requirements. Make sure to have your results to hand! You will be given all the details about your first day once you have enrolled.

OUTSTANDING FACILITIES

Study your specialism of choice in outstanding facilities with technology that is designed to help prepare you for your chosen career. CRC has some of the best facilities in the country and you'll get the chance to work on live, real-world projects.

Whether you choose to study at our Cambridge Campus or our Huntingdon Campus, you'll benefit from CRC's award-winning staff and outstanding facilities.

Online Excellence

CRC also has excellent online learning facilities, systems and support to enable you to succeed. We incorporate these industry-standard systems to enhance digital skills, digital etiquette and improve communication skills in preparation for the world of work.

TRAVELLING TO COLLEGE

CRC is one of the easiest colleges to get to. There are discounted train and bus tickets for students and we run a FREE shuttle bus to and from the local stations to our campuses.* Choose the college buses, use public transport or travel by car, bike or foot.

Feel free to get in touch if you're worried about getting to college, or the cost of transport. We will be more than happy to give you advice and to help you find out if bursaries are available to assist financially.

TRAIN

Save 50% off rail fares with 16-17 Saver Railcard visit: www.16-17saver.co.uk

Students who attend CRC qualify for discounted season tickets of up to 50% either through Great Northern Rail or Greater Anglia. Visit our transport section of the website for details of how to apply. Our campuses are within walking distance from nearby stations and we run a free shuttle bus between Cambridge North Railway Station and our Cambridge Campus, as well as from Huntingdon bus station to our Huntingdon Campus.

FREE SHUTTLE BUS

Cambridge North Station to Cambridge Campus Huntingdon Bus Station to Huntingdon Campus*

From the station to the campus at the start of the day and back to the station at the end of each day.

PUBLIC BUSES

The college campuses are served by many public bus routes.

Get your Tiger Bus Pass, for £1 fares for Under 25s in Cambridgeshire and Peterborough. Funded through the Cambridgeshire and Peterborough Combined Authority, find out more and apply: **cambridgeshirepeterborough-ca.gov.uk/onepoundbusfare/**

Students can often get discounts, such as 50% off on Stagecoach buses. Always check for the latest bus routes and see the providers' websites for discounts.

The Guided Busway runs between both campuses with stops next to our campuses. The College has two stops on the Guided Busway in Cambridge: 'Science Park/Cambridge Regional College' and 'Orchard Park East' (Route A & B). For Huntingdon Campus, the Guided Busway (Route B) stops at 'Huntingdon Campus'.

CARS

We have plenty of designated parking spaces for students at each campus. Parking is free at the Huntingdon Campus, with a £2 per visit parking charge at the Cambridge Campus.

CYCLING

We actively encourage our students and staff to choose a green method of transport when travelling to college. We have plenty of cycle racks available including covered spaces. Students aged under 19 may be able to claim a cycling allowance from Cambridgeshire County Council.

*Subject to demand

Disclaimer: The information in this guide is believed to be accurate at the time of going to press (June 2025). The College reserves the right to amend or withdraw any published services as necessary. Bus routes may be subject to change. Please visit our website: **camre.ac.uk/transport** for further details.

COLLEGE BUSES

Our buses travel from Cambridgeshire, Essex, Hertfordshire and Suffolk to pick up students. Operating during term-time, the buses are timed to arrive prior to 9:00am, Cambridge Campus, and 9:15am, Huntingdon Campus, and depart at 4:20pm, Cambridge Campus, and 4:25pm, Huntingdon Campus. Our bus pass charges, for college buses only, are available online.

We have extensive bursaries available to support those who may need help with travel costs. Routes may change year to year, for the full 2025/26 timetable, fees and latest information visit: **camre.ac.uk/transport**
