Daily ID badge checks take place at both Campuses. We do this in order to ensure the safety of all students and staff at CRC. Any student who forgets their ID badge must collect a temporary badge from reception or from your tutor if you are studying in the evening. Students without ID badges will be subject to the Student Regulation procedures.

College is a safe environment but it is important that we all remain vigilant. If you see someone in College without a badge or something suspicious, please report it immediately to a member of staff.

COLLEGE CLOSURES

If for any reason either of the Cambridge or Huntingdon campus sites are closed or have a delayed opening, a message will appear as a pop-up on the homepage of the College website, www.camre.ac.uk.

There are three stages to the Campus opening:

- Green – The identified campus is open.

This will not show on the website but is the default status.

- Amber - The Campus will have a delayed opening and may, in the case of bad weather, only be open to local students and staff who can make the journey safely. College bus services may not be running and the exact time of opening will be communicated on the day by text, social media, and College websites. This will also affect our commercial offerings including the sports hall and restaurant.
- Red – The campus is closed to all students, staff and commercial outlets.

WHAT TO DO IF... YOU ARE ABSENT

If you are on a programme and are going to be absent for any reason you must call the college on **01480 379100** for Huntingdon, or **01223 418551** for Cambridge, before 9am to report it.

This number has voicemail for use inside and outside of college hours.

We will need your name, student ID number and the reason for your absence.

If you are studying in the evening, please inform your tutor.

YOU FEEL UNWELL AT COLLEGE

If you are unwell whilst on your course or need to be excused, please speak to your tutor who will ensure you are marked absent and support you if you require assistance.

STUDENT BEHAVIOUR & CONDUCT

All students whether school leavers or adults are asked to observe the College values and follow the College's Code of Conduct which can be found on the college's website or VLE.

MOBILE PHONES

Mobile phones must be on silent during any teaching sessions and at all times when in the Learning Resource Centres and all computer rooms. This enables everyone to focus on their studies without interruption.

Students should not record, share or distribute images and videos recorded on any electronic recording device (e.g. mobile phone, tablet) whilst on College premises (including College transport) or College trips, which may cause offence to others or bring the College into disrepute.

VEHICLE PARKING

For Cambridge Campus, student parking is in car park 3a2 and charged at £2 per visit and enforced by number plate recognition. Parking outside of these restrictions will result in a fixed penalty notice charge to the address the car is registered at. Please note that enforcement is carried out by an external company. Any concerns about penalty notices should be directed to the issuing company.

There is currently no charge to park at Huntingdon Campus, however, all vehicle registrations must be registered with the College.

E-SCOOTERS

You are permitted to use the Cambridge City Council orange e-scooters that are part of the Voi Electric Bike and Scooter trial (https://www.voi.com/city/cambridge).

SAFEGUARDING

Staying Safe in College is called Safeguarding. In practice Safeguarding means:

- Protecting children, young people and vulnerable adults from abuse, exploitation and maltreatment
- Preventing harm to their health and development
- Ensuring they grow up in the provision of safe and effective care
- Taking action to ensure all children, young people and vulnerable adults have the very best outcomes.

SEE – Safeguarding Everyone Every day

Everyone has a responsibility to keep our College safe. We all need to be alert and SAFEGUARD EVERYONE EVERY DAY. If you see something that you think needs action, report it. It might be something suspicious, it might be inappropriate behaviour by others, it might be someone not wearing an ID badge, it might be something that doesn't make you feel safe – whatever it is report it. We want 100% of our students to feel safe whilst they are in college.

You can report this in a number of ways:

- Tell your tutor or any member of staff
- Report it to a Student Liaison Officer (SLO) who are there to help and support you
- Drop in to the HUB
- Email safeguarding@camre.ac.uk

If it is urgent, please don't email – report it immediately to a member of staff so we can take immediate action. At CRC, students and staff work together to keep everyone safe – play your part and SAFEGUARD EVERYONE EVERY DAY.

PREVENT & BRITISH VALUES

Another aspect of Safeguarding is the Prevent Duty, a Government strategy that requires schools and Further Education Colleges to have "due regard to the need to prevent people from being drawn into terrorism, supporting terrorism or being drawn into non-violent extremism."Extremism" is defined as "vocal or active opposition to fundamental British Values."

Prevent is safeguarding students to keep them both safe and within the law. The Prevent Duty is not about stopping students from having political and religious views and concerns, but about supporting them to use those concerns or act on them in non-extremist ways. Prevent aims to provide early intervention to protect and divert people away from being radicalised and being drawn into terrorist or extreme and illegal activity.

Staff and students are urged to be vigilant and to report any concerns to any member of staff who will be able to signpost you to further support..

EQUALITY, DIVERSITY & INCLUSION

At Cambridge Regional College we treat everyone with respect. We believe that all have a right to be valued and to have equality of opportunity regardless of gender, gender identity, disability, support needs, ethnicity, religion and belief, age, sexual orientation or social class.

We expect all staff and students to play an active role in promoting equality and challenging discriminatory behaviour. We expect anyone who feels unfairly treated, who is upset by inappropriate comments or jokes, feels they are victims of abuse or who experience any form of discrimination or harassment, to tell us. We take any form of discrimination or harassment very seriously.

FIRE, FIRST AID AND HEALTH & SAFETY

All students are required to take reasonable care of their own health and safety while on College premises and observe information about health and safety in College. To read all Fire, Health and Safety procedures please visit The Hub Online.

PLAGIARISM, COLLUSION & THE USE OF AI

Plagiarism is using other people's words and work and passing them off as your own. This includes published work (books, internet, podcasts), the work of other students and the use of Artificial Intelligence (AI). You can use published work in your assignments, but you must reference it properly. The College uses software to scan student work for plagiarism and use of AI content.

Collusion is allowing work to be shared and submitted by someone else, or allowing or paying someone to complete work for you. Plagiarism and collusion are forms of academic misconduct. Other misconduct includes cheating in exams. The College takes this very seriously. If a student is found to have committed misconduct a penalty is usually applied. This may include having to resubmit work or in extreme circumstances failing a course or qualification. Using referencing can avoid plagiarism. When making notes, make sure that you reference your work properly. Your tutor, or staff in the LRC can offer you advice on how to reference correctly.

Plagarism Policy:

For all the latest college policies, visit:

www.camre.ac.uk/policies

We love receiving compliments about our teachers, support staff and the work we do. Tell your tutor or teacher or contact compliments@camre.ac.uk

If you are unhappy about any part of your college experience, we want to hear about it. If you tell us about any concerns or problems that you have, it gives us the opportunity to try to improve things for you, and for others who might have similar issues. Talk to your tutor or assessor/trainer, or a college manager first, as many issues can be resolved that way.
